

National Valentine Collectors Association

This is your loving reminder, as we enter our forty-first year, that it is now time for your 2017 membership renewal! Our beautiful quarterly electronic newsletter continues to provide valuable information for everyone with a passion for Valentines and Expressions of Love; our website provides current information, and the Directory enables members to connect with others who share your interest. Additionally, we have a very active Facebook page that boasts more than 211 members!

The dues are \$20. per year, anywhere in the world, payable by the end of February. PayPal is accepted, using the email contact: info@valentinecollectors.com. Love and affection are constant threads throughout history. We are proud to be a popular resource for “all things Valentine” and to be able to offer speakers and interviews by members around the country. Financial constraints, as well as the desire to become “green”, have made the decision to become an electronic publication. Back issues, as well as the current issues, will be available in paper in very limited quantities, for the cost of \$5. each, or \$20. per year, which includes postage; payment can be by cash, check, or PayPal.

I am confident that reading the newsletter on your computer, phone, or iPad is destined to become a great pleasure!

Your email address will be essential to receive the newsletter. If you have a problem – please let me know and we will try to work it out. Please let us know if you would like to contribute to the newsletter. Your involvement helps to create our community, and enlivens the bonds of friendship. Gifts of membership are enthusiastically encouraged, and your recipient will receive a personal welcome note. Celebrate love, every day of the year!
